

Behaviour Statement

The Knaphill Federation of Schools Behaviour Policy is designed to help the children to learn to live and work together in a supportive way, taking responsibility for their own actions and developing self-discipline.

We expect the pupils to:

- be ready for learning
- be polite at all times
- take responsibility for their behaviour keeping themselves and others safe
- show respect for themselves and others
- show respect for their environment
- understand the purpose of rules
- express opinions in a considerate and thoughtful way

Above all we expect pupils to

TREAT OTHERS AS THEY WOULD LIKE TO BE TREATED

We support this by:

- promoting a clear understanding of 'right and wrong' and therefore high standards of behaviour
- promoting respect for themselves, their property and that of others
- promoting an environment where everyone is happy, safe and secure
- promoting good relationships, so people can work together with a common purpose of helping everyone to learn whatever learning and emotional difficulties are displayed
- promoting a community attitude of care and responsibility towards the school and the environment
- promoting British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of people of all faiths, races and cultures
- using Emotion Coaching techniques to encourage children to regulate, reflect on and resolve any issues that arise

Parents support this by:

- promoting the same behaviour expectations at home
- being positive role models in treating others as they would like to be treated
- sharing any concerns with school, who can investigate incidents

We appreciate your support in helping the children to grow into confident, reliable, independent, respectful and supportive members of the community who are enthusiastic in their learning.
