"Together we are Better"

Weekly Focus

Friday 8th October 2021

Dear Parents and Guardians,

This week our Assembly focused on our Mental Health ahead of World Mental Health Day on Sunday 10th October. We thought about our feelings, our thinking, our emotions and our moods. The children learnt about why it is just as important to look after our mental health as it is our physical health and we spoke about sharing our feelings and listening to our friends. We learnt that one way to help ourselves if we feel a little unhappy or sad is to tell someone we can trust and to do something that makes us feel good. The children came up with some wonderful ideas and recognised that exercise and sport really can make us happier.

On that note, we would all like to say a massive well done to our Year 2 football team who competed in a football festival last Friday. In what was our first match of the season, the team performed brilliantly in all four games. The effort that all the players displayed throughout the festival was exceptional. This effort helped the team win two matches and score 6 wonderful goals! A big thank you to all the parents who came to support the children. The team has made everyone at Knaphill Lower School very proud and we are all looking forward to more matches this year. Our Year 6 girls Team are playing this afternoon and we look forward to hearing how they have got on.

Wishing you all a wonderful weekend.

Best wishes,

Miss J. Concannon

Federation Headteacher
