## **LA JOLIE RONDE French activity at Knaphill Lower School for Year 1 and 2**

**La Jolie Ronde** is a professionally developed and award-winning French programme, written especially for Primary aged children and used successfully throughout the UK.

This is what our classes provide:

- A unique structured, FUN course established and developed over 35 years
- Small groups with individual attention and plenty of opportunity to speak and practise so the children progress quickly
- Lots of interactive oral activities, conversation, games, songs, rhymes and stories using puppets
- Programmes designed to foster oral confidence and an enthusiasm for the language
- French certificates awarded at the end of each programme
- A weekly email with information about what the children have learnt that day

The lessons last 30 minutes and take place on **Thursdays and Fridays after school (two groups) finishing at 3.45 p.m.** The children bring a snack to have before we start. The cost of the lessons is £5.00 per session. Each child also has a colourful activity book with a unique access code to the La Jolie Ronde media player plus optional CD which forms an integral part of the course. The cost of the book and CD pack is £17.00 (or £15.00 without the CD). Children who attend the after-school club can be taken there after French.

For further information or to book a trial session, **please contact me on the above email/telephone number.**
