

Knaphill Schools Sunflower Challenge

How tall can you grow a sunflower?

HOW TO TAKE PART

1. **Buy your sunflower seeds from the PTA on Friday 29th April. Sunflower packs cost just £1 and you will receive five seeds.**
2. **Plant your seeds (from April to end May) in a pot and wait for them to germinate.**
3. **Once they are strong enough, transfer them to a nice sunny spot in the garden – make sure they have enough room to grow nice and tall!**
4. **Take care of your sunflowers and watch as they grow taller and taller!**
5. **To be in with a chance to win a £10 Amazon voucher, please share the tallest height that you achieve and a photo of your sunflower with:**
