"Together we are better"

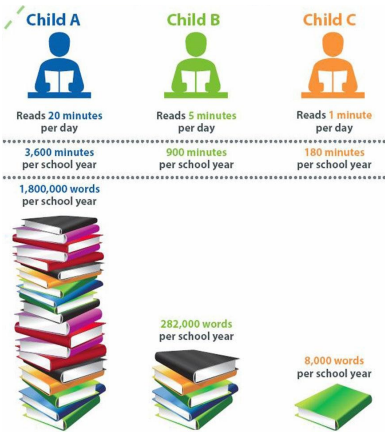

Weekly Update : Knaphill Junior School

Friday 20th January

A word from Mrs Harrison:

It has certainly been a very busy week here at Knaphill. Read all about the beginning of our week with our online safety workshops for parents, children and staff. Miss Fini and Mrs Shaw attended this term's governors meeting on Wednesday evening and presented the school's development in both writing and maths. Mrs Harbridge and I have been working closely together with parents and governors to decide on our values for both schools. We will now move forwards and gain the opinions of staff and children. Once completed, we will share the values chosen by you all in a 'grand unveiling!' As I have worked closely alongside several of our children and families this week, it is clear that we must show compassion and kindness in all our thoughts and actions. That small word of encouragement or thoughtfulness really can make a positive difference.

Have a great weekend and week ahead. The sun is finally shining.

Reading

We appreciate all the support parents are giving at home with reading. We know how important it is and would like to remind parents of some ways we think we could get more children reading more regularly! An extra **1.8 million words** come in handy across all of the curriculum!

Our recommended reading lists can also come in handy for finding those 'next' books.

Online Safety

On Monday, we were fortunate to have workshops from Sharon Girling OBE to talk to parents and the children about how to keep safe online. When talking to the parents, Sharon made them aware of how to keep their children safe using settings on devices, trends and current apps that are being used by young people and how to have conversations with their young people about staying safe online.

If you wanted to come but couldn't make it, have a think about the below to help with keeping your children safe online.

- Make a set of family rules. E.g. How long they can be on devices. What they are allowed access to. An evening of no devices for anyone in the family.
- Talk to your child about the dangers and let them know who they can talk to if they are worried about something they have seen.

Community

Every week, we celebrate the children of our school and some of their successes in our 'Achievement Assembly'. This week we were thrilled to share the success of Dolcie and Lottie in cheerleading.

Amazingly, in their first cheerleading competition, they managed to finish 1st place in the FC Essentials 2023.

We are incredibly proud of them and their achievements.

Keep sharing with us the successes and achievements of our pupils in the community so we can continue to celebrate the diverse talent we have in our school.

Be internet SMART!

S

SAFE

Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M

MEETING

Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A

ACCEPTING

Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R

RELIABLE

Information you find on the internet may not be true, or someone online may be lying about who they are.

T

TELL

Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

You can report online abuse to the police at www.thinkuknow.co.uk
