"Together we are better"

Weekly Update : Knaphill Junior School

Friday 21st April

A word from Mrs Harrison:

Eid Mubarak to all of our Families that are celebrating Eid today or tomorrow.

What a difference a year makes! When I started back in April 2022 for a one term secondment, I was very quickly welcomed by the Knaphill Community. As my secondment as Headteacher started in September and my journey at Knaphill School continued, it has been an absolute joy getting to know you and the children and building relationships with you all. My news that the Brighter Future Learning Trust has now made my appointment permanent is a dream come true. My heart has been in Knaphill since the first day I started here. Knaphill School is a very special place to be - one where the amazing staff and governors really strive to achieve the very best for all children and I am so incredibly proud to be part of that team.

I started by saying to our children, parents, staff and governors, that together we can create great things and I truly believe that we are doing that... together.

Have a great weekend. See you on the gate on Monday!

Girls' Football

On Thursday, our Year 5 & 6 Girls' team headed to Hermitage for a play-off match to reach the finals.

The Girls suffered an early setback, conceding two quick goals, but showed resilience to pull the match level. Despite this, they fell behind twice more, levelling each time. In the last few minutes they showed true grit and desire to pull ahead and then scored a late free kick to put the game out of reach, in what was an incredibly enthralling match.

The final score was 6-4 to Knaphill, who have now progressed to the finals in a week's time.

Well done girls—a truly amazing performance.

Competition Winners

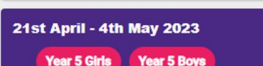

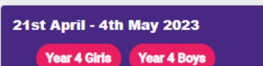

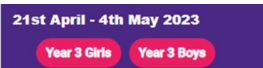

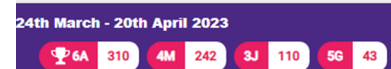

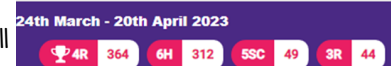

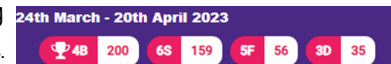

A huge congratulations to our talented writing competition winners Oscar and Seb. Seb was the winner of our 500 word story while Oscar created the most creative book in a box.

TTRS

After the longest running tournament ever, the scores are in and there were some extremely close results. Congratulations for 4B, 4R and 6A for winning your tournaments and gaining an additional break-time.

Those number skills you've been practising will help you in Maths lessons.

Our next tournaments are a competition between girls and boys in each year group. Who will win the extra break-time?

Attendance Cup.

This week's winners:

4R 98.5%

The runners up:
5G & 3D 98.3%
