

A word from Mrs Harrison: I am immensely proud of our year 6 pupils this week during SATs. They have been an absolute credit to their parents and teachers, showing both determination to succeed and resilience. I am sure they will do well.

You will have noticed from our weekly update on the 28th April, that we have published the parent survey results. Thank you to all of our parents that participated, as this enabled us to gain your thoughts and opinions. An area that we have been working on is our provision for our pupils with additional needs and communicating this with our community. This has resulted in monthly drop in sessions for parents with our Special Needs Co-ordinator, Zoe Purulak and termly target setting and reviews with both parents and pupils involved in this process. We continue to strive to improve in every area of provision for every child and look forward to sharing these developments as we move through the school year and in to the next academic year.

Thank you to our governors for supporting our SATs administration this week and for our fantastic PTA for funding the breakfasts before SATs and pizzas this afternoon as a celebration. What an amazing school community we have! Enjoy your weekend.

SATS week

The Year 6 team and the rest of the staff have been so proud of all of the Year 6 children this week as they've completed their SATs. It has been lovely seeing so many coming in for the pre-SATs breakfast and games, having fun together and feeling calm before their tests. As we've already shared with the children, SATs assess some things but not how kind they are, how great they are as friends and so many other things which make us proud of them everyday.

As a celebration of their hard-work, Year 6 enjoyed pizzas, games and the reveal of our production this afternoon.

A huge thank you to the PTA for paying for the pre-SATs breakfast and for the pizza. Also, thank you to Milano Pizza in Knaphill whom gave us a great deal after some children in our year group wrote to them.

Attendance Cup.
