## Weekly Update : Knaphill Junior School

Friday 16th June

A word from Mrs Harrison

Another actioned-packed week! It has been so lovely seeing the children, staff and parents embracing our new school values. As I said last week, a value guides our thinking and behaviour. Read all about Year 6's Apprentice Day, which I thoroughly enjoyed attending and thank you to all the parents for their support in making it such a success. The children are a real credit to their parents and our school.

Mrs Wainscott delivered a wonderful assembly this week, all about sun safety. May I please take this opportunity to remind all children to wear a hat, come to school with sun cream applied and to bring a water bottle (which can be re-filled during the day).

Enjoy the sunshine over the weekend. See you all on Monday.

### Apprentice Day

Year 6 ran an extremely successful Apprentice yesterday. After being given a small business loan from the school, each group bought and made products to sell on their stall. There was a brilliant turn out from Year 6 families as well as lots of support from all the staff and children at the school.

We are so proud of the children's achievements today and are SO pleased to share that we have raised enough money to pay for every child in Year 6, to have a leavers' hoodie and to pay for the Year 6 BBQ. We certainly have some fantastic entrepreneurs in our school!

### Attendance Cup.

This week's winners:

4R : 100%

### SEND update: SEND meetings

Our SEND Meetings are taking place on week beginning Monday 3rd July. SEND meetings are a chance for you and your child to discuss with their class teacher your child's progress against the targets set in their 'ISP' (Individual Support Plan) and look at the new targets their teacher has set for your child for the Autumn term, which will support them to make the best possible start in next academic year.

### House Points

1st: Attenborough - 158

2nd: Rowling - 151

3rd: Windsor - 112

4th: Farah - 111

Term Total	370	745	400	548
------------	-----	-----	-----	-----

### Sun Safety

## Help Knaphill get sun-ready!

**Slip** on sun protective clothing

**Slop** on SPF30+ sunscreen every 2 hours

**Slap** on a brimmed hat

**Seek** shade, especially between 11am - 3pm

**Slide** on UV sunglasses

**Slurp** water regularly throughout the day

### Inter house Football

We have been running our inter house football tournament this week and it has been amazing fun! We hope to share some of the child written match reports next week after the final results.

## Bounce Fitness

We are excited to tell you that Bounce Fitness is coming to Knaphill School! On Thursday 22nd June, every child from Year 3-6 will be taking part in a Bounce Fitness workshop. This workshop is designed to help with teamwork, fine motor skills, promote listening, as well as all the numerous health benefits associated with bouncing! It promises to be a fun and unique experience.

The bonus of kid's clubs is that the children don't realise they are exercising as they are having so much fun. The clubs help with fine motor skills, team working, individual working, promotes listening and helping others as well as the numerous health benefits to bouncing. Some games involve counting which helps their maths, some games include spelling which helps with English whilst other games are just pure fun! They are children after all. The confidence that is built purely from these sessions is amazing - 2 children started in my kids clubs now attend my adult classes each week. Their confidence has gone through the roof.

Additionally throughout half terms and summer holidays I work for 4-5 various holiday club providers, offering 1 hour fun bouncing sessions.
