After school club Spring term 2024

ComputerXplorers is delighted to be able to offer an after school club for years 5 & 6 this term. We will run the club on a Friday afternoon and will tackle two great activities during the term.

Bloxels: Design and build 2D platformer video games using a versatile and intuitive system called Bloxels. Each student will work individually and will learn how to create a game similar to early Mario and Sonic platformer games.

➡ Each lesson will last one hour after school on a **Friday**. Please collect your children at 4.10 pm from the pedestrian gate.

➡ Dates: Jan 19, 26, Feb 2, 9, 23, March1, 8, 15, 22
