

Knaphill Schools'

Monthly Update - 28.11.25

To empower all children to have a bright future.

This Month's Focus Value: Respect

A note from Mrs Harrison:

Welcome to our November update! This month has been filled with learning, creativity, and community spirit, and I am delighted to share some of the highlights with you.

Our Focus Value of the Month has been Respect – the ability to accept somebody for who they are, even when they're different from you or you don't agree with them. It has been inspiring to see our pupils demonstrate respect in so many ways, from tackling new learning experiences to supporting one another during Friendship Week and Positive Noticing Day.

We are proud of our Stars of the Week, who have shone brightly across all year groups, and congratulate the classes who earned Attendance Awards this month: Polar Bears, Hazel, Panda, Cherry, Rhino, and Birch. Consistent attendance is key to success, and we appreciate your continued support. Personal development has been at the heart of our activities, with events such as Odd Socks Day, celebrating individuality, and Friendship Week, promoting kindness and inclusion. These experiences help our children grow spiritually, morally, culturally, mentally, and physically.

Our pupils have enjoyed a rich variety of events and activities, including:

- Harvest Festival & Welly Walk in our sensory garden
- Phonics and Reading Workshops for parents
- Leaf-Collecting Project supporting sustainability
- UK Parliament Week with a visit from MP Will Forster
- Remembrance Day Service, where students shared poetry and explored WWII history
- Exciting learning adventures such as Year 2's London trip, Year 3's fossil hunting, Year 4's sound wave experiments, and Year 6's Victorian Day.

Please also take note of our Attendance Policy Update, which outlines expectations for medical evidence and travel documentation for absences.

Finally, don't miss our Recommended Reads for December – a fantastic way to keep the joy of reading alive during the festive season.

Thank you for your continued support in making Knaphill Schools a place where every child can thrive. Together, we are building resilience, fostering curiosity, and creating lasting memories.

Value of the Month:

Respect

Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them.

What it looks like: You will treat others as you wish to be treated and listen to others' points of view. You won't use sarcasm or offensive language.

Our Stars of the Week

Reception

Are ALL stars for learning
their Christmas songs
ready for their Nativity &
singing them so
beautifully!

CONGRATS!

Personal Development

Personal development at Knaphill Schools promote the spiritual, moral, cultural, mental and physical development of our pupils.

It is how we prepare our children for the opportunities, responsibilities and experiences of later life.

PREPARING FOR LIFE IN MODERN BRITAIN

Our assembly themes are planned to include:

- **Festivals**
- **Our values**
- **Important people**
- **Stories from different cultures**
- **Protected characteristics**

PERSONAL DEVELOPMENT AT THE
KNAPHILL SCHOOLS'

Friendship Week at The Knaphill Schools' - Celebrating kindness and inclusion

On Monday 10th November, we launched Friendship Week, a special time dedicated to celebrating kindness, inclusion, and the importance of friendship. Throughout the week, children took part in a wonderful programme of activities designed to help them explore these values in fun and meaningful ways.

To kick off the celebrations, we held Odd Socks Day. This light-hearted event encouraged children to wear odd socks to school as a symbol of individuality and acceptance. It was a fantastic reminder that being different is something to be celebrated, and the colourful socks brought plenty of smiles to our classrooms!

Positive Noticing Day at the Lower School

The Power of the positive! All children were recognised for using any of our school values throughout the day.....

Positivity ❤️
is **Powerful**

Lower School Harvest Festival & Welly Walk A Wonderful Celebration!

We recently celebrated our Harvest Festival in the sensory garden, followed by a joyful Welly Walk around the school field. After the children performed their songs, families joined them for a muddy but fun stroll. It was a fantastic way to enjoy the outdoors together and celebrate the season!

Phonics and Reading Workshops - A Fantastic Turnout, Parents and Children Learning Together!

Mrs Everitt was delighted with the turnout for our Phonics and Reading Workshops this term. We feel very fortunate to have so many parents working alongside us, and we hope you found the sessions helpful in supporting your child's learning at home. The children loved the opportunity to share their skills with their grown ups. Mrs Everitt was especially excited to demonstrate how we teach phonics in school, giving parents a clear picture of the strategies we use every day. If you would like any further information, please do not hesitate to speak to Mrs Everitt or your class teacher.

Tree-mendous effort at Knaphill Lower School

This autumn our children have taken part in a wonderful leaf-collecting project across the school grounds. With great enthusiasm, they gathered a small fraction of the fallen leaves which will be turned into leaf mulch, helping us care for our environment and support sustainability. The activity not only raised money for our sustainability initiatives but also gave the children a hands-on experience of how small actions can make a big difference. All money raised will be going towards building our very own compost bin! We are so proud of their teamwork and commitment, and it was a joy to see them learning about nature while contributing to a greener future. Thank you to all the families who have sent in their donations so far.

COMPOST

UK Parliament Week at Knaphill Junior School

This week, our students have been exploring the fascinating world of politics as part of UK Parliament Week. Politics is all about how people make decisions on living together in a society and working towards common goals. Of course, not everyone agrees on what those goals should be or how to achieve them and that's where discussion and democracy come in!

On Monday 24th November, Year 6 had a visit from our local MP for Woking, Will Forster. This was a great way to begin our UK Parliament Week, in which children learnt how Parliament works, linking into our focus on British Values of the Rule of Law and Democracy. Will gave us an overview of what his role consists of, why he became an MP, the most interesting and the most bizarre parts of his role, as well as what makes Woking such a special place to live. Children then had nearly an hour of questions, which had to only be cut short because it was lunchtime! Year 6's questions and behaviour showed maturity, and they were a credit to our school.

Over five days, each class has taken part in activities designed to build understanding of how our country is governed:

Day 1 – What is Politics?

We started by asking the big question: What does politics mean? Students learned that politics shapes the rules and decisions that affect our daily lives.

Day 2 – The UK Parliament

Pupils discovered the role of Parliament, how it represents the people, and why it's central to democracy.

Day 3 – Elections and Voting

We explored how elections work and why voting matters. Students even held their own mini-election to experience the process firsthand.

Day 4 – How Laws Are Made

From ideas to legislation, students followed the journey of a law through Parliament, understanding how debate and compromise play a part.

Day 5 – Change: What Can You Do?

Finally, we looked at how individuals can make a difference—whether by writing to an MP, joining a campaign, or simply staying informed.

The Knaphill Remembrance Day Service

On Tuesday 11th November, a group of children attended the Knaphill Remembrance Day service. These children had entered a whole school poetry competition and their poems were selected because of the excellent standard. The children confidently read their poetry in front of a crowd of local people, our Chair of Governors, local councillors and our local MP, Will Forster. Mrs Bowry and Mrs Shaw were extremely proud of how the children delivered their work and many people complimented the quality of poetry, as well as the excellent behaviour. We were also fortunate to see an outdoor exhibition of World War Two memorabilia, including a fence screw, which contained a secret wartime message!

Come on Knaphill Junior School Boys!

On a cold, dark Friday afternoon, a team of Year Six and a team of Year Five competed against two strong Pirbright teams. Both games were very close and at any point could have gone either way. Our teams played with passion, enthusiasm and energy as well as respect and resilience. Well done, boys!!

What a buzz at the Junior School Book Fair!

Thank you to all of our families who came along to support the Junior School's book fair. Every book purchased not only supports reading for pleasure, but helps to buy books for the school.

I ♥ BOOKS

Wonderful Outdoor Learning in Year One

Our children spent the whole day outside on Tuesday 4th November 2025, embracing the Autumn season and all the amazing learning opportunities it brings. They explored the changes we see in Autumn, discovered how animals prepare for Winter and even created our very own hedgehogs use natural materials found around our outdoor area.

We even enjoyed our lunch outdoors, making the most of this valuable opportunity to connect with nature, work together and learn in a hands-on memorable way.

A huge well done to all our Year One explorers!

Our Year 2 London Adventure!

As part of our topic 'The Great and The Ghastly', Year 2 enjoyed an incredible day in London! The trip gave the children the opportunity to explore how the city has changed over time, discover its famous landmarks, and use the stunning views as inspiration for Van Gogh-style landscape art. Highlights of the day included a bird's-eye view from the London Eye and a Riverboat Cruise along the Thames. Children took part in activities to locate and categorise London's main physical and human features, linking them to the capital's rich history.

It was a memorable experience that combined geography, history, and art in one fantastic day!

Year 2 - Let in Snow!

Our Forest School session today was truly magical! The snowfall didn't stop us from heading outdoors—in fact, it made the experience even more exciting. The children loved running between the snowflakes and trying to catch them as they fell.

We spent time exploring natural materials such as sticks, leaves, moss, rocks and bark. The children discussed which materials would be strong enough or soft enough to build shelters for our Forest School creatures. They shared ideas about how to make the shelters stable and weatherproof, showing fantastic problem-solving and teamwork.

We also learned a new skill—how to tie a clove hitch knot!

Also we played some fun games to keep warm and then gathered around the fire for a cup of hot chocolate—a perfect way to end our snowy adventure!

Thank you for ensuring your child was dressed warmly; it made all the difference.

Year 3 Become Fossil Hunters!

This term, our budding scientists in Year 3 embarked on an exciting journey through time! They explored the fascinating process of fossilisation, discovering how ancient plants and animals leave their mark in different types of rock.

But the adventure didn't stop there—our young paleontologists rolled up their sleeves and created their very own fossils! Using their knowledge and creativity, they crafted replicas and then took on the role of archaeologists, carefully excavating their hidden treasures.

It was a hands-on experience that brought science to life and sparked curiosity about the incredible history beneath our feet. Well done, Year 3!

What have Year 4 been up to?!

Science you can feel and see..... Year 4 explored the invisible world of sound waves!

In our science, we explored the idea that sound is created by vibrations. Using simple, everyday materials, we were able to see what we normally only hear. Through activities such as stretching rubber bands, making grains of rice “dance” on a drum skin, and feeling sound through string, we observed how different objects move when sound waves travel through them. It was a hands-on, noisy, and engaging investigation that helped bring an abstract concept to life.

Year 4 took part in a variety of activities to celebrate friendship week including:

- Making unique puzzle pieces showing ways to build new friendships
- Speaking in a connection circle
- Reading with year 6 children
- Acting out role play scenarios showing how to solve friendship problems

Year 5 - A trip to Winston Churchill School

Winston Classics Day

On Tuesday 18th November, ten children from year five went to Winston Churchill School for a classics taster day. Our first activity was Greek mythology. We learnt about the story of Icarus and we wrote our own short stories with morals.

Next, we went into the Planetarium and we learnt the names of different stars such as Ursa Major, Ursa Minor and Orion. We also learnt different stories about those stars. Then at the end we learnt how to find different stars using the North star. We learnt that one star, the North Star, always stays where it is. It was really fun.

After that, we did Latin. We learnt different meanings for words such as octopus in English is eight feet and hippopotamus is river horse. As our activity, we created our own mythical creatures using different Latin words to make new words. There were so many different combinations!

Lastly, we did Roman Numerals. We solved codebreakers that we then realised were in Latin! When we got the translation we had learnt a sentence in Latin. Cogito ergo sum means I think therefore I am. It was incredibly fun and we learnt a lot of new things.

At the end we had learnt so much and it was very interesting. Latin, mythology, Roman numerals and even a touch of astronomy.

Thank you for reading!

Florence Butler - a girl who went on that trip.

Year 6 - Victorian Day

Year 6 were recently transported back in time to 1875, in order to experience what it would have been like to attend a Victorian school. From dictation and using chalk on black boards, to pronunciation of complex tongue twisters and Victorian style games on the playground, it was certainly a very different day! Girls had sewing lessons and boys took part in woodwork classes - many children found the different treatment of boys and girls quite shocking. In art, children were preparing to make their own William Morris style wallpaper prints. We all agreed times in 2025 are very different indeed.

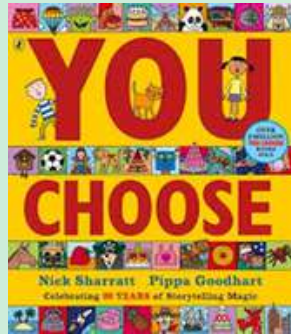

December Recommended Reads - Lower School

Here is this months selection of recommended reading books as selected by Mrs Everitt...

Nursery

You Choose
Author
Nick Sharatt

This book encourages imagination through endless combinations of things to choose from, provides hours of entertainment, and sparks discussions between children and adults.

My Book
With No
Picture
Author
BJ Novak
and...

"I love this book so much because you can choose your own silly words and the grown-ups have to read them."
Recommended Juna Year One

Have you or your child ever wanted to write your own version of the #1 New York Times bestseller The Book With No Pictures? Now is your chance, in this fill-in-the-blanks book that puts the power of words directly into your hands. Bonus sheet of nonsense stickers included!

Year Two

Marnie
Midnight
Laura Ellen
Anderson

Hi I am Marnie Midnight and I am 8 years old and I am a moth. I live with my mum and dad Mabel and Marvin and my brother Milo. I love petal puff, my family and finally anything to do with the moon. It is so bright and shiny.

"I like this book because it's fund and I love that they go on a lot of adventures."

Recommended by Sophie Year Two

Junior School - December Recommended Reads

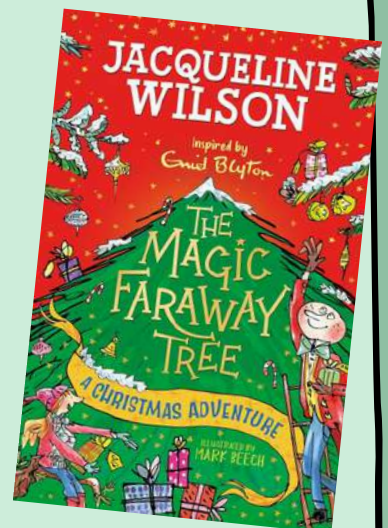

This month we are have curated a selection of fabulous fiction books for you to enjoy..

Year 3 - The Magic Faraway Tree: A Christmas Adventure

Jacqueline Wilson (author), Mark Beech (illustrator)

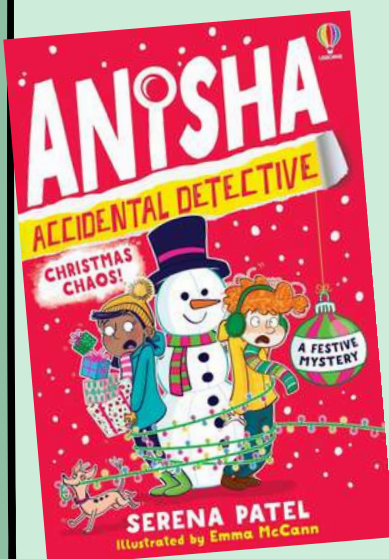

Jacqueline Wilson brings a new Christmas adventure to the beloved world of Enid Blyton's Magic Faraway Tree. Milo, Mia, and Birdy return to the Enchanted Wood to reunite with Silky the fairy and Moonface. They hope to visit magical lands like the Land of Presents or the Land of Snow, but first face a chilling journey to the Land of the Frozen North. This is Wilson's second story set in her childhood favorite world, following her successful first book inspired by Blyton's classic.

Year 4 -

Anisha, Accidental Detective: Christmas Chaos - Anisha, Accidental Detective

Serena Patel (author), Emma McCann (illustrator)

Join Anisha, Accidental Detective, for a festive mystery packed with snowmen, secrets, crackers, and clues!

From award-winning author Serena Patel and illustrator Emma McCann, this Christmas adventure sees Anisha racing to save the family's festive fayre after Santa's big red sleigh is stolen. With Milo's sparkly ideas, Auntie Bindi's tinsel mountain, and a dash of detective work (plus an elf costume!), Anisha is determined to catch the thief before Christmas is ruined.

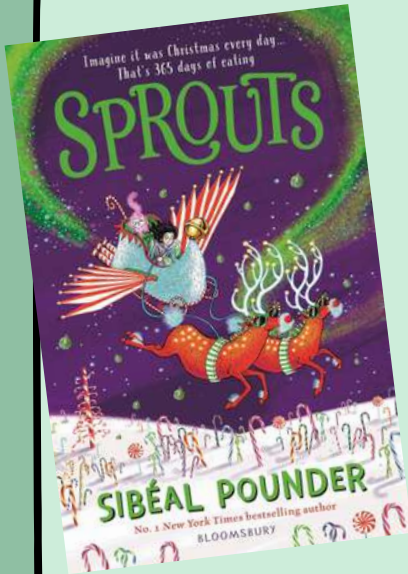

Why you'll love it:

- A laugh-out-loud holiday whodunit for young readers
- From the creators behind the Anisha, Accidental Detective series, winner of multiple children's book awards
- Perfect for fans of funny, clever mysteries with lovable characters

Junior School - December Recommended Reads cont.....

Year 5 - Sprouts

Sibéal Pounder (author)

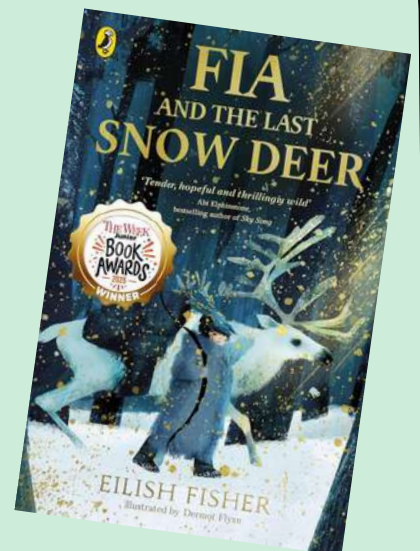

In the year 4024, Christmas is celebrated every single day under Santa Claus's rule, with holographic elves, flying sleighs, and candy cane cuisine. However, Gryla Garland, a witch exiled to the Mince Pie Isles where Christmas comes only once a year, longs to join the festivities. When Santa's daughter, Merrilee, unexpectedly enters her life, Gryla discovers that endless Christmas might not be as magical as it seems. Together, they must restore the true spirit of Christmas before it's lost forever.

Year 6 - Fia and the Last Snow Deer

Eilish Fisher (author), Dermot Flynn (illustrator)

Fia and the Last Snow Deer is a verse novel set in prehistoric Ireland. Thirteen-year-old Fia shares a deep bond with her reindeer, Solas. When her village, trapped in an endless winter, plans to sacrifice Solas to fulfill an ancient prophecy and restore sunlight, Fia and her cousin Mish flee with the reindeer. They embark on a perilous journey to find the mythical Deer Mother, believed to hold the key to saving Solas and bringing back the sun. The story explores themes of hope, kindness, and friendship, and is illustrated by Dermot Flynn.

Attendance Policy

We are taking this further opportunity to share our Attendance Policy with you. As you will be aware, our Attendance Policy was amended to include the new procedures, as directed by the Department for Education (DfE) and can be found on our school website.

Please note that the main changes are listed below:

If you take your child/ren out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

- 1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
- 2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
- 3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

In line with the new DfE guidance, we are now obligated to request medical evidence and flight/holiday confirmation when an illness occurs just prior or after a holiday request.

Dear Parents and Guardians,

At Knaphill Schools, we value every child's learning and wellbeing, and regular attendance plays a vital role in their success. We understand that, on rare occasions, exceptional circumstances may require a leave of absence, and we aim to support families while maintaining high standards for attendance.

Leave of Absence

Requests for leave of absence due to exceptional circumstances will not be approved if additional leave is taken immediately before or after the requested period without prior consent.

If required, proof of travel arrangements (such as flight details) or other supporting documentation must be provided.

Should a period of illness occur directly before or after an approved absence, medical evidence will be requested.

Thank you for working with us to ensure your child's education remains uninterrupted and successful. If you have any questions, please do not hesitate to contact us.
