

Knaphill Schools'
Monthly Update - 16.10.26

To empower all children to have a bright future.

This Month's Focus Values: Junior - Pride / Infant - Kindness

A note from Mrs Harrison:

What a wonderful week it has been across Knaphill Schools. Our three Harvest Festivals were a huge success, with every child having the opportunity to shine. I was incredibly proud to see our children demonstrating our school values of kindness and pride so clearly; kindness through their support for others and generous Harvest donations and pride through their confident performances and participation.

Thank you to all the families who donated so generously. All Harvest contributions will be shared with the Knaphill Food Bank to support local families within our community, helping us put our values into action.

The Infant School Welly Walk was another highlight, with children creating fantastic land art faces around the school grounds, while the singing across all three services was simply wonderful. Alongside the many positive comments from parents, the day was a real celebration of community, belonging and togetherness.

A huge thank you to our staff, children and families for making these events truly special and memorable. Days like these remind us what makes Knaphill Schools such a special place to learn and grow.

Junior Value of the Month: Pride

Pride means: people can be satisfied with their achievements. They can be proud of something good that they have done, They can be proud of (or take pride in) their work.

What does it look like: It is being a role model for others, showing that small actions can have a big impact.

Infant Value of the Month:

Kindness

Kindness means trying to do the right thing every day. It means thinking about how our words & actions make other people feel. If someone forgets to be kind, we can forgive them & help them to remember to be kinder next time.

What does it look like: Trying our best to be a good friend. Thinking of other peoples feelings. Understanding that everyone makes mistakes, saying sorry & trying again

PERSONAL DEVELOPMENT AT THE KNAPHILL SCHOOLS

Infant School- Judo Workshops

The children recently enjoyed an exciting Judo workshop, where every class had the opportunity to take part. Led by experienced judo instructors, pupils were introduced to this popular martial art and learned some basic moves and techniques in a fun and safe environment.

The sessions were full of energy, enthusiasm and smiles as the children practised their new skills and discovered more about the sport. It was a fantastic opportunity for everyone to try something new, build confidence and develop coordination while having lots of fun. We would like to thank the instructors for delivering such an engaging and enjoyable experience for all our pupils.

柔道

Infant School
Harvest Festival & Welly Walk

It was wonderful to see so many families join us for our Harvest Festival this year. We were especially grateful that the sun decided to shine, creating the perfect setting for our celebration. The children sang beautifully and made us all incredibly proud with their enthusiastic performances.

After the singing, families, children and staff enjoyed taking part in our Welly Walk together. It was a lovely opportunity to spend time as a school community, and the children had great fun exploring and sharing the experience with their loved ones. Thank you to everyone who came along and supported the event, helping to make it such a memorable and enjoyable afternoon.

Infant School
Harvest Festival & Welly Walk

Happy Harvest from all at the Infant School

Thank you to our community for all your donations, they will be greatly appreciated.

Infant School - Scholastic Book Fair

Our Infant School Scholastic Book Fair was a wonderful success this week, with a fantastic turnout from our children and families. There was great excitement as pupils explored the wide range of books on offer and discovered new stories to enjoy.

A huge thank you to everyone who supported the Book Fair by making a purchase. Every book bought helped us earn rewards to spend on new books for our school, providing even more reading opportunities for all of our children. Your support makes a real difference, and we are very grateful for the enthusiasm shown by our school community. Happy reading!

Forest School Fun in Year 1

Year 1 have thoroughly enjoyed taking part in Forest School every Monday this term, and it has been a huge success. The outdoor sessions have provided exciting opportunities to enhance our learning in both Science and Geography, allowing the children to explore the natural world through hands-on experiences and discovery.

To celebrate the end of the term, the children took part in a fantastic Sensory Extravaganza Party. They enjoyed using all of their senses during a fun-filled morning in the woodland, which included cooking bread on a stick over a roaring campfire, creating beautiful autumn crowns, and taking part in a variety of woodland games. It was a wonderful way to bring together all they had learned and a memorable end to a very successful term of Forest School adventures.

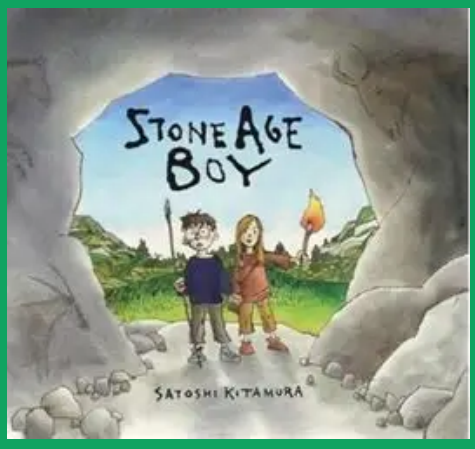

Year 3 - Stone Age Day

Year 3 thoroughly enjoyed their Stone Age Day. We read the book 'Stone Age Boy', which inspired our outdoor morning of learning. Children really enjoyed creating charcoal cave paintings to tell their own stories; looking at different rocks and learning about how they could be used to make shelters and tools; and they became archaeologists digging through mud and stones to find hidden fossils. In the afternoon, Year 3 decided what they'd need to survive living in Stone Age times and then made 3D models of Stonehenge. We decided life in Stone Age times were certainly very different to ours!

Year 4 Science

In Science, we have been learning about the water cycle and how water continuously moves around our planet. We explored the processes of evaporation, condensation and precipitation, and discovered how the Sun's heat causes water to evaporate, form clouds and eventually fall back to Earth as rain.
We attached our own representations to the window in class to see the process in action!

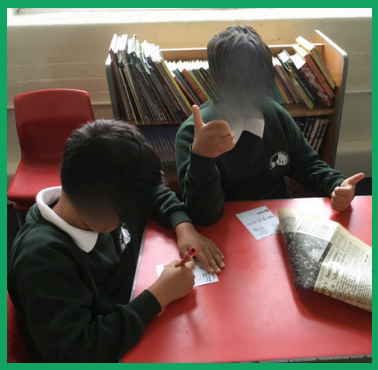

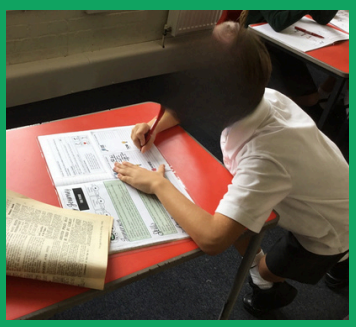

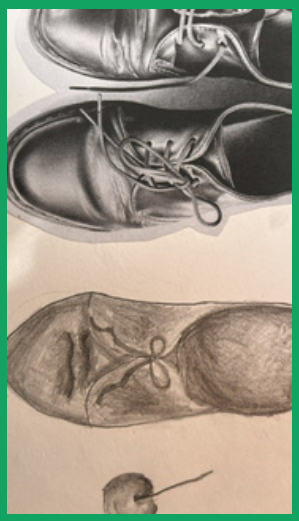

Year 5

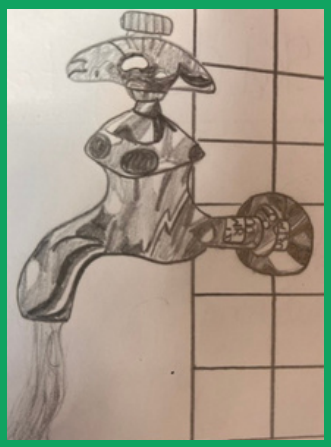

This term, Year 5 have been developing their inference skills through our English unit linked to the short animation The Piano. Using a range of carefully chosen objects, pupils asked thoughtful questions and used clues to make inferences about a character's life, experiences and emotions. It has been wonderful to see the children justify their ideas with evidence and engage in rich discussions.

This term in Art, Year 5 have been exploring how careful observation can improve drawing accuracy and detail. Using a variety of sketching techniques, pupils practised creating tone, texture and form before applying these skills to a still life composition. Their growing understanding of light, shadow and proportion is evident in the fantastic work showcased in their sketchbooks.

Year 3 and Year 5 also enjoyed a fun-filled Harvest Celebration on Wednesday. The children wowed us with their enthusiastic singing and energetic dancing before taking part in a fantastic vegetable fashion parade! From creative costumes to plenty of laughter, it was a wonderful opportunity to celebrate the harvest season together and reflect on the importance of farming and giving thanks for the food we enjoy.

Year 6 Bikeability Success!

Well done to our Year 6 children who have completed their Level 2 Bikeability course!

The course gave our children the opportunity to develop their cycling skills, build confidence and learn how to make safer decisions when cycling on the road.

Through sunshine and some truly awful rain, the children kept pedalling! Their dedication and determination shone through, showing our School Value of resilience in action.

We are proud of them for taking on this challenge and developing valuable skills for life. A big thank you to the Bikeability instructors for their guidance and encouragement throughout the week. Another huge thank you to Mrs Ward and Mrs P who cycled alongside our children.

Year 6 Writing

Our Year 6 children have been captivated by our new class book, When the Sky Falls by Phil Earle. They have loved getting into character and writing diary entries from Joseph's point of view, exploring his thoughts and feelings and using powerful vocabulary and vivid imagery to bring his experiences to life.
Enjoy these little 'trailers' of their writing below - a taste of the atmosphere and emotion our young writers have created! We are beyond proud of how hard they have worked.

Dear Diary,

The neglected train station was surrounded by low, looming, bruised clouds, as I left the comfort of the train – the cold bit my hands and frost crept up my coat. As I walked around the station, smoke curled and twisted maliciously, weaving its way through the crammed station. I looked around, then I saw a young child clinging to his mother's coat, sobbing. She pulled her child away and spoke to him, "Promise me you'll live and never forget me." The child nodded, then staggered on the train, shocked and sad. No one took me to the station. No one said goodbye. No one loved me. As I walked back to the beginning, I wondered if anyone would even come. I doubt it, why me? Of all the kids in Britain, why would anyone want to choose me? My hands were cramped, holding on too tight to my gas mask box, knuckles white, shoulders tense. I didn't know this woman, in fact, the train door was still open – could I go home? Would I? Dare I? ... No, I would give her one more minute and if she failed to present herself, well I would just hop back on the train and go home. This woman would be waiting for someone that was not there, not me. One minute had past, collecting my things, I was ready to leave – then a deathly hand clutched my shoulder and it was not letting go...

Written by Daisy

Dear Diary,

The bruised, eerie clouds coiled cruelly around the misty, forlorn station, obscuring it in devilish silence as I stormed, enraged, across the platform of carnage and misery. Smoke writhed incessantly across my vision as families were ripped viciously apart indefinitely, drowning in chaotic tears as screams stabbed my ears like a thousand sirens. This was not a place for me. This was war. I watched as a boy clung to his mother, sobbing in tears as agony took over him as I surged through the pained crowd, ploughing ruthlessly around the tearful people. Through the smoke that clawed at my eyes, I saw the colossal shadow of the train and I could just make out the open door – tempting me to escape. I looked around. There was no sign of the woman sent to pick me up and I shot a glance towards the door. One minute. I would give her one more minute. Any later than that and she'd be standing there looking for someone who wasn't there. Then, just as I was about to board the train, I felt a hand grip my shoulder like a barn owl with a mouse...

Written by Mark

Dear Diary,

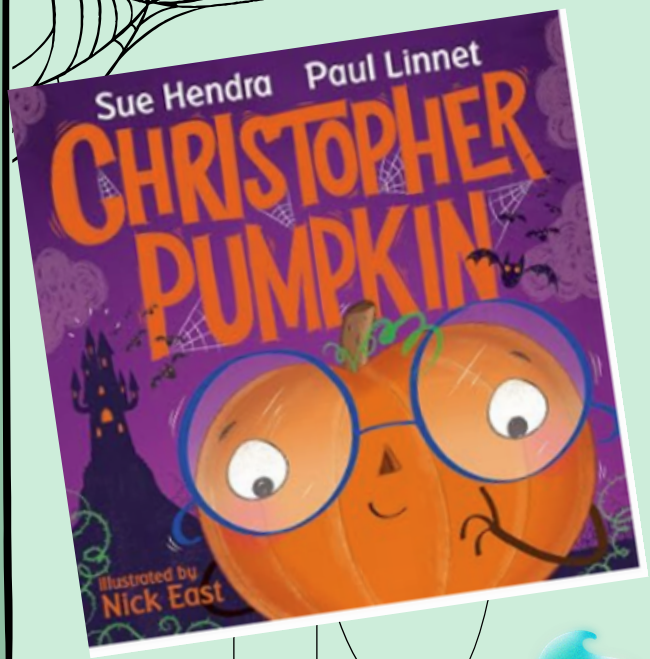

Dark, depressed, mood-filled clouds loomed over the crowded station as though the dark, ashy sky was closing in and was going to crush me. Inside, the crowded, battlefield-like platform was engulfed in smoke and despair. Incessant crying billowed through the entire station. People quivering with fear engulfed the station as my hands trembled. Sobs shrieked over the noises of the train. I saw a girl clinging to her mother's coat as the mother tried to pry her off. Everyone was making such a big fuss about nothing. Like it's not that bad! Everyone was being so dramatic. Without warning, my hand began to tremble, as I instinctively gripped my gas mask box. I'm going to give this woman one more minute to come. It looks like I'm not gonna get collected this century... Written by Ophelia

Infant School Recommended Reads for October.....

Below are some seasonal recommended reads from Mrs Everitt.....

Hello Autumn is a lovely seasonal story. It follows Autumn, one of four magical friends who guide the seasons. As Summer hands over the weather crown, adventures beckon—berry picking, leaf jumping, forest exploring—but Autumn's mind swirls with 'what if' worries. When a friend needs help, his hidden courage begins to shine.

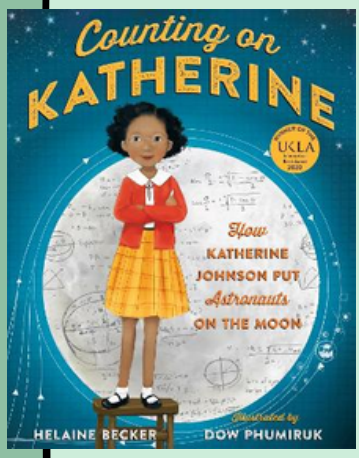

Meet Christopher Pumpkin - the Halloween pumpkin who doesn't want to be scary. A funny rhyming story from the authors of Supertato .

Christopher Pumpkin is delighted to be conjured to life by a witch - until he discovers she wants him and the other pumpkins to get her creepy castle ready for the spookiest party ever! Chris just can't bring himself to hang cobwebs and cook curried slugs - he's much more into bunting and fairy cakes!A delightful story about blazing your own trail, perfect for reading aloud!

Junior School Recommended Reads for October.....

This month's recommended reads highlight books that celebrate diversity and culture, encouraging children to explore different perspectives, experiences and histories.

Year 3 - Counting on Katherine

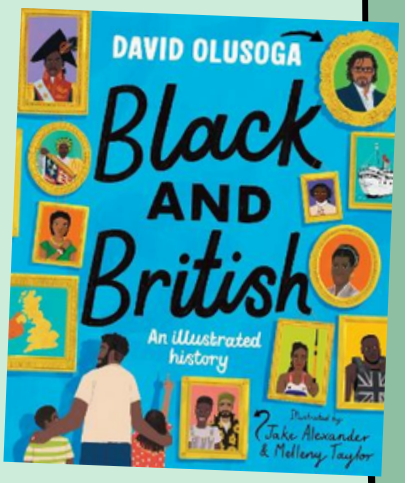

By Helaine Becker (author), Dow Phumiruk (illustrator)

Meet Katherine Johnson, the mathematical genius who helped make the historic Apollo 11 moon landings possible. As a child, Katherine loved to count. She counted the steps on the road, the number of dishes and spoons she washed in the kitchen sink, everything! Boundless, curious, and excited by calculations, young Katherine longed to know as much as she could about maths, about the universe . . .

From Katherine's early beginnings as a gifted student to her heroic accomplishments as a prominent mathematician at NASA, this is the true story of a groundbreaking African-American woman who went above and beyond what was expected of her in the 1960s, saving lives and making enormous contributions to history.

Year 4 - Black and British: An Illustrated History

By David Olusoga (author), Jake Alexander, Melleny Taylor (illustrator)

When did Africans first come to Britain?
Who are the well-dressed black children in Georgian paintings?
Why did the American Civil War disrupt the Industrial Revolution?

These and many other questions are answered in this essential introduction to 1800 years of Black British history: from the Roman Africans who guarded Hadrian's Wall right up to the present day.

This children's version of the bestseller Black and British: A Forgotten History is illustrated with maps, photos and portraits.

Junior School Recommended Reads for October.....

This month's recommended reads highlight books that celebrate diversity and culture, encouraging children to explore different perspectives, experiences and histories.

Year 5 - This Is Not a Small Voice

By Traci N. Todd (author), Jade Orlando (illustrator)

This gorgeously-illustrated children's anthology makes the perfect introduction to poets such as Lucille Clifton, Langston Hughes, Benjamin Zephaniah, Gwendolyn Brooks, Maya Angelou, Amanda Gorman, Caleb Femi and Joseph Coelho.

The portry collection touches a wide range of themes - hope and struggle, joy and pride, home and food, music and family. Each poem is perfectly paired with vibrant, heartfelt illustrations from Jade Orlando.

Year 6 - Windrush Child

By Benjamin Zephaniah (author)

In this heart-stopping adventure, Benjamin Zephaniah shows us what it was like to be a child of the Windrush generation.

Leonard is shocked when he arrives with his mother in the port of Southampton. His father is a stranger to him, it's cold and even the Jamaican food doesn't taste the same as it did back home in Maroon Town. But his parents have brought him here to try to make a better life, so Leonard does his best not to complain, to make new friends, to do well at school – even when people hurt him with their words and with their fists.

How can a boy so far from home learn to enjoy his new life when so many things count against him?

Junior School Competition

Remembrance Day honours those who serve to defend our democratic freedoms and way of life.

We challenge you to write a poem to commemorate Remembrance Day. Your poem can be as creative as you like. This is an exciting opportunity to not only show your creative writing skills but also share your poetry with others. Some children will be chosen to read their poems at the Knaphill Remembrance Day Service. Please hand your poems to your class teacher or to Mrs Shaw by **Wednesday 4th November.**

Attendance Policy

We are taking this further opportunity to share our Attendance Policy with you. As you will be aware, our Attendance Policy was amended to include the new procedures, as directed by the Department for Education (DfE) and can be found on our school website.
Please note that the main changes are listed below:

If you take your child/ren out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

In line with the new DfE guidance, we are now obligated to request medical evidence and flight/ holiday confirmation when an illness occurs just prior or after a holiday request.

Knaphill Infant School Diary Dates

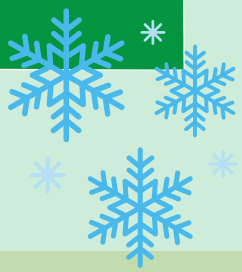

October		
Mon 19th Oct – Fri 30th Oct	Half Term	Children not in school
November		
Mon 2nd Nov	Return to school	Welcome back!

BARNARDO'S Changing childhood Changing lives.

Talking Teens

A free course for parents or carers of teenagers and pre-teens (8 years plus), looking for advice.

Sessions will focus on relationships within the family, communication, negotiation, decision making and strategies to reduce conflict.

The group aims to develop:

- relationships between teenagers and parents/carers
- a calmer home life
- confidence when talking about difficult issues
- an understanding of teenage needs and development

Mindworks Surrey | National Autistic Society | Teen Life Licensed

Teen Life Program

Join the National Autistic Society's Teen Life program for parents and carers of young autistic people aged 10 to 18.

Starting on 4th November 9.30 – 12pm
Woking Family Centre
Sythwood
GU21 3AX

The six-session program covers:

- understanding autism
- understanding autistic identity
- stress and anxiety/understanding behaviour
- health and wellbeing
- puberty
- education/planning for the future.

"This has made a real difference to me. In general, life-changing."
Parent

The Teen Life program aims to empower parents and supporting professionals to understand more about autism and discuss useful strategies on how to support autistic teenagers.
